

Student Artist Application

Inspire 2020 is inviting Choreographers from around our dance community to bring their talents to our WSD dancers. In order to further develop future Choreographers within our own studio, we are offering limited spots in this year's production to Student Artists.

Inspire Student Artists will have the opportunity to develop and set a piece of original choreography on their fellow Inspire students, to be produced as a part of this year's concert. Student Artists will be provided with a WSD faculty mentor and rehearsal space to support their vision. Interested students must be currently enrolled in the Teen/Adult, III, IV or V classes at WSD, fill out the application below and audition a sample of their movement at the Inspire 2020 auditions on Saturday, January 4th.

If you have any questions about this opportunity, please contact Sharon Riedy at sharon@washingtonschoolofdance.com
