

Three Year Trophies

Each year, WSD recognizes those students who have demonstrated outstanding commitment to WSD by participating in WSD programs for 3 consecutive years. This year, we will be recognizing students who began classes in the Fall of 2019. Below are the students slated to receive their Three Year Award.

We expect this list to be incomplete. If a student should be recognized on this list, or if any misspelling needs to be corrected, please let the studio know by June 1st so we can include you in the celebration!
